

**Sandy Lane**  
A world of opportunity

28<sup>th</sup> September 2018

Dear Parents/Carers

In your child's book bag is a 'Next Steps Maths' book. These are their quick recall facts for the year. When they have achieved them they will receive a stamp.

In between each step is a blank page for you to comment and practice at home with your child. They need to be returned daily and we will send them home every day.
