A world of opportunity

7<sup>th</sup> May 2019

Dear Parent/ Guardian,

Online safety is an integral part of children's education in today's digital world and is embedded in their learning at school.

We would like to help you improve your own understanding of online safety issues around social media, YouTube and online games e.g. Fortnite and will show what kind of effect this has on your child.

The workshop will be run by PC Joanne Cato on Tuesday 18<sup>th</sup> June, 2.00pm -3.00pm in the main hall. Tea and coffee will be served.

Thankyou  
Mrs. Dunsire
