

Bring your shadow to life!

1 On a sunny day, collect some leaves, petals, twigs and seeds from the woodland floor.

5 Swap over and get your friend to bring your shadow to life.

2 Ask a friend to stand with the sun behind them so their shadow appears on the ground.

3 'Fill in' their shadow with the natural items. What can you use for their hair, eyes, mouth and clothes?

4 When you've finished, ask them to step aside... their shadow will stay behind!

Wow!

Play at different times of the day to see how your shadows change.

Feel free to copy and share this for personal and educational use – and don't forget there are loads more brilliant activities to download on our website!
