

Upper Key Stage 2

Hello wonderful parents,

Please find attached the timetable for your child's remote learning.

To accompany their learning of the topics in RE, History, and Science, the year 5/6 team have put together a pack of resources that are essential. These packs are to be picked up at the school office on Wednesday 6th January between 09:30 and 12:00.

One final thing to put in writing is that all lessons will be initiated via Zoom. For safeguarding purposes, the Zoom lessons must not be recorded. The teachers have been instructed to terminate the Zoom session if a child starts to record a lesson. We will explain this and much, much more to them tomorrow when we Zoom them for the first time this lockdown 😊

I am excited to meet my class once more, as are the other teachers, and begin their lockdown learning experience.

Any problems or questions, we will deal with them as they arise.

Thanking you once again,

Mr. P 😊

Year 5/6 Remote Learning Timetable

Each school day, the teaching and learning team across year 5/6 will be launching online Zoom-based learning in accordance with our current timetable. **See below:**

	9:00	9:15	11:00	1:15	1:25	2:15
Mon	Registration	English Skills	Maths Skills	Registration	RE	Round up of day
Tues	Registration	English Skills	Maths Skills	Registration	Science	Round up of day
Wed	Registration	English Skills	Maths Skills	Registration	PE	Round up of day
Thurs	Registration	English Skills	Maths Skills	Registration	History	Round up of day
Fri	Registration	English Skills	Maths Skills	Round up of day		

To avoid confusion and information overload, your child’s class teachers will explain everything to them during their **first Zoom session at 09:00 on Wednesday 6th January 2021.**

Please note, all children are expected to **‘Zoom in’** to register with their class teacher. Those children that don’t will be contacted by Mrs McHugh or Mrs Walker to find the reason why and offer support and guidance where needed.

All lessons are non-negotiable and we expect all of our children to participate with their learning. We will try our best to make their learning accessible, simple and engaging, but also appreciate just how difficult it is for them (and you, too!) whilst being at home. Establishing positive habits from the start is important for their motivation and continued development.

Your child’s teacher will be in contact via Ping and/or Class Dojo to issue the link for the first Zoom session.

As always, I thank you for your support and wish you all the best throughout this challenging time.

Mr Paton 😊
