

Lower Key Stage 2 Home Learning

Dear Parents,

We have put together a time table for online learning for this half term (please see below). We will be teaching our classes via Zoom. I have added the Zoom details for each class at the bottom of this information page. We will be teaching the full curriculum to the children each day to mirror what they would normally be doing in school. This is to ensure there is no missed learning and to support the children throughout this difficult time. It is really important that they interact with their school friends and their class teacher on a daily basis. Please can you make sure your child is logged into Zoom at 9.00 tomorrow morning. If you're child is unable to attend the online learning, you will need to report your child's absence to the school office like any normal school absence. We will be taking attendance registers in the morning and at the start of the afternoon. If you have any problems, please contact your child's class teacher via class dojo. Thank you!

Timetable

9.00- log onto your class teacher's zoom meeting for registration and morning task. This will then run into your English lesson.

Don't worry, we will make sure you have a break before Maths starts.

11.00 – Maths- log onto your Maths teacher's zoom session.

Lunch

1.15- Log onto your class teacher's zoom session for registration and the afternoon task.

Break

2.30- Log onto your class teacher's zoom session for end of day story or discussion.
